EXPLANATORY NOTE

Foreign Service List

Issued semiannually by the Department of State and compiled as a basic aid for personnel in the Department of State and the Foreign Service, for other Government agencies, for other governments, and for groups outside of government having need of this information.

Personnel Included

Personnel listed include the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; Technical Cooperation Administration officers of class nine and above; certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers; and a special section furnished by the Mutual Security Agency.

Precedence of Personnel

The chief of mission and/or principal officer at the post is listed according to rank. The relative rank of other officers in the Foreign Service may be determined by reference to Volume I of the Foreign Service Manual, Part VI, Chapter 100.

The April issue of the List includes the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The October issue will include the posts of assignment and the two indexes. Each issue will include a section showing the breakdown by class of certain groups in the Foreign Service.

TARIFF OF U. S. FOREIGN SERVICE FEES¹

The following Tariff of United States Foreign Service Fees, prescribed by the President under authority of section 1745, Revised Statutes, as amended (22 U.S.C. 127²), shall be charged by diplomatic and consular officers and all persons connected with embassies, legations, or consulates for official services. All charges for such services must be in strict accordance with this tariff, and be collected in the coin of the United States or at its representative value in exchange (22 U.S.C. 128²). For each and every fee where the representative value in exchange is collected instead of the coin of the United States, there shall be collected a sufficient amount of foreign currency to enable the officer to purchase as of the date of collection a sight draft in the amount of the fee as prescribed by this tariff payable at par to the Treasurer of the United States. No fee or compensation will be collected for any service not covered by this tariff.

No fees prescribed in this tariff shall be charged or collected by officers for official services to American vessels or seamen (22 U. S. C. 89²). Undocumented vessels owned by American citizens and vessels documented under the laws of the Philippine Islands are not exempt from the payment of the fees prescribed herein. Consular agents will make the fees prescribed in this tariff for services to vessels and seamen a basis of collection from the Treasury for those services.

All fees must be paid in advance and before the fee stamps are canceled, except in case of attendance out of office or of commissions where the amount cannot be determined until the service is performed. In the latter cases the amount of the fees shall be carefully estimated, and in these cases only, the estimated cost of the service shall be deposited with the officer before the service is performed, subject to refundment of any balance remaining.

A copy of this tariff shall be posted in a conspicuous place in diplomatic and consular offices (22 U. S. C. 101²).
